COLLATING AND FINISHING

- 10 Cut the backing fabric a half across the width. Remove the selvages and join the pieces along the length with a 1/2-in seam. Press the seam open.
- 11 Press the quilt top and backing well. Make a quilt sandwich by placing the backing fabric right side down, the batting on top, then the quilt top centrally and right side up. The backing and batting are slightly larger than the quilt top. Baste the layers together using your preferred method.
- 12 Quilt as desired. Svetlana quilted vertical lines approx. 1 in apart.
- 13 Trim off the excess batting and backing fabric, and square up the quilt.
- 14 Take the binding strips and join them end-to-end using diagonal seams. Press the seams open and trim away the dog ears. Fold in half lengthwise, WST, and press.
- 15 Sew the binding to the right side of the quilt, folding a mitre at each corner.
- 16 Fold the binding over to the back of the quilt and hand stitch in place to finish.
